

GREAT FUTURE'S GALA

2020 VISION

YOUR SUPPORT WILL HELP FUND:

PHASE 1: Club Expansion

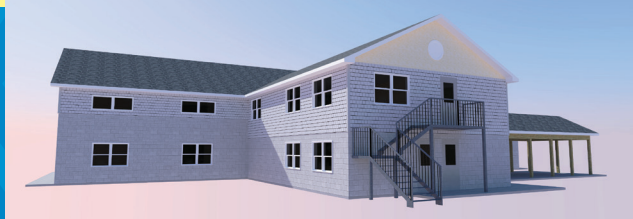

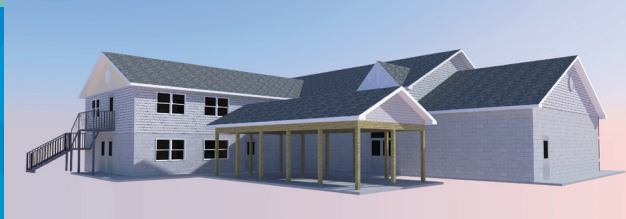

Adding Classrooms, Bathrooms, Art Room, Offices and Storage

- Increase the number of children we serve
- Allow for age-appropriate groupings for special programs and homework help
- Create more classroom space

PHASE 2: Additional Building with Full Size Gymnasium

- Proposed nearby community collaboration on multipurpose building, sports fields and playground
- Proposed full-size gym construction with multipurpose classroom additions
- Plan will allow addition of Teen Programs

Proposed Club Expansion from the Back of the Existing Building

HOW CAN YOU HELP?

- Pledge your financial support over the next few years as we make this VISION 2020 a reality.
- Naming opportunities available for both Phases.
- We will continue to send updates on the expansion progress. Please visit greatfuturesgalade.com for additional opportunities to stay involved.

WHY HELP?

- For every \$1 invested with the Boys & Girls Clubs of Delaware, there is a \$13.91 return to the State.
- More than 500,000 meals are served to hungry children each year.
- Youth participating in Club programs have a lower arrest rate generating a savings of \$26,203,518.00 per year for taxpayers in Delaware.

WE CANNOT MAKE THIS HAPPEN WITHOUT OUR COMMUNITY COMING TOGETHER!

OUR 2ND ANNUAL GREAT FUTURES GALA HAD MAJOR IMPACT

Over 250 Local, Community Leaders, and Supporters Attended our 2nd Annual Gala!

Over **\$150,000** was raised at this year's event and every dollar will be going toward the expansion project detailed on the reverse side.

- Our immediate goal is to expand the existing space on Oak Orchard Road for the 5-12 year-old program.
- There are 50 local children on the waiting list who would like to attend this Boys and Girls Club as soon as possible when space permits.
- Architects and engineers are now working on plans to add 2,400 sq ft of space.
- Replace the temporary trailers which are currently being used with permanent space.
- A second-floor multipurpose room can be added upstairs to begin a much-needed Teen Program.
- Your generous donations are turning this into a reality!
