

SPONSORSHIP OPPORTUNITIES

Our local Boys & Girls Clubs are a **home away from home** for countless children in Delaware who need mentors, a safe haven, adult supervision and positivity. These Clubs are filled with staff and volunteers who **provide guidance, homework help, a listening ear, food, shelter and love** to kids who NEED it.

The Club has taken in the children of essential workers, assisted the Club kids with virtual school, stayed open late, opened early and gone above and beyond.

Now more than ever, the Boys & Girls Club needs our support.

The planned expansion will provide **an additional 4,530 square feet** to the existing space, nearly **doubling the size of the building**. This expansion is crucial as the waiting list of families and children who need these services continues to grow.

Please help us fund the work they do every day and support their much-needed expansion.
